Southern Rider

Come ride the southern roads with us...

Southern Rider Escapade 2010

By successfully touring the "Escapade" Route laid out on your "Escapade form" and returning your completed form to the organisers, you will receive your well-earned 2010 Southern Rider Escapade Badge. *No badge if you don't complete the questions in the set time.*

Having received your entry form and fee, we will send you your Escapade Sheet in the week after entries close. You then have until the **30th November 2010** to return your completed Escapade questions to the organisers.

The "Escapade" can be traveled at any time after you receive your Escapade Sheet until the closing date. This allows you to journey in your own time and at your own pace, or to join with others to travel together.

We anticipate that the actual Escapade will be a distance between 800 - 1000km , but you need to add any distance required to get to and from the Escapade route.

When: From 1st September 2010
until 30th November 2010
Where: South Island New Zealand

Prepaid Entries Only
